To Whom It May Concern:

Our company trading as Bakers Delight has used Eagle Pest Control since 2013.

John and Megan have consistently provided our bakeries with a professional, friendly and hassle-free pest control service.

Having Eagle Pest Control's comprehensive maintenance is critical in the food industry and leaves us free to spend our time focusing on what we do best with confidence. Eagle Pest Control is always thorough and the team never take short cuts; it's all about results and peace of mind. On many occasions we have recommended John and Megan to other franchisees and business owner who have had disappointing results with other services. We endorse Eagle Pest Control confident that others will be pleased with the results.

Eagle Pest Control are an essential part of our PSQ program.

Yours truly,
